

STANDARD FITTINGS KIT

FITTING KIT FOR SPECIFIC APPLICATION WHEN USING FCS SENSOR

Non Specific solution. Compatible with vehicles with 10 and 12 mm send and return fuel lines

CODE	DESCRIPTION
070819001	STANDARD FITTINGS KIT

TECHNICAL DATA

SPECIFICATIONS

Main body material	Brass
--------------------	-------

COMPONENTS

code	item	description	qty
050817007	NIPLESS COUPLING M14/M18 F/M	Fitting for coupling fuel lines with FCS Sensors	1
050817017	NIPLESS ADAPTER M14/M16 F/M	Fitting for coupling fuel lines with FCS Sensors	1
081117002	NUT M16 HOLE D12	Fitting accessory for coupling fuel lines with FCS Sensors	1
081117003	M14 NUT LOCK - HOLE D10	Fitting accessory for coupling fuel lines with FCS Sensors	1
084517002	D12 line expander for M16 Locking Nut	Fitting accessory for coupling fuel lines with FCS Sensors	1
084517003	D10 line expander for M14 Locking Nut	Fitting accessory for coupling fuel lines with FCS Sensors	1
